

Subject: Complaint Against Circle Inspector Mr. G.D Babu, One Town Police Station - Request for Investigation and CCTV Footage

To,

The Commissioner of Police,
Police barex, Near Poorna Market, Visakhapatnam 530001

Respected Sir/Madam,

I, Divakar Rao Potnuru, resident of Chandal rao peta, Kotha road, Visakhapatnam 530001, am writing to lodge a formal complaint against Circle Inspector Mr. G D Babu in One Town Police Station regarding his unprofessional conduct, biased handling of my case, and suspected misconduct.

On 23 Mar 2025, I filed a complaint with the Bar Association against Advocate Umadevi garu. The Bar Association, after reviewing my complaint, recommended that the Collector initiate an investigation. Subsequently, the Collector forwarded the matter to your office for investigation by the Commissionerate. This investigation was then assigned to Circle Inspector Mr. G D Babu of One Town Police Station. However, instead of conducting a fair and impartial investigation, Circle Inspector Mr. G D Babu has exhibited the following unacceptable behavior:

- **Insulting and Shouting Voice:** During our interaction, the Circle Inspector spoke to me in an insulting and disrespectful manner. He shouted at me rudely, causing me significant distress.
- **Negligence and Bias:** He appeared to have disregarded my complaint without even reviewing it properly.
- **Inappropriate Summons:** On 27 Mar 2025, at approximately 7 PM, he instructed a constable to summon Lady Advocate Smt Umadevi to the police station. This is highly inappropriate,

particularly considering the late hour and the legal restrictions on women being questioned at police stations during night hours.

- **Presence of Unauthorized Individuals:** During my visit to the police station, I observed the presence of numerous unauthorized

individuals, including young children under the age of 10. This created a hostile and intimidating environment.

- **Delaying and Misdirecting Complaints:** I have also received information from other citizens that the Circle Inspector consistently delays the handling of their complaints and often advises them to approach other police stations. This suggests a pattern of negligence and a failure to fulfill his duties.
- **Neglect of Financially Struggling Cases:** It has come to my attention that the Circle Inspector is neglecting cases involving citizens facing financial hardships. These individuals feel marginalized and unable to seek justice due to his lack of action. One person mentioned that their case has been delayed for three months.
- **Request for CCTV Footage:** I request that the CCTV footage with audio and video from the One Town Police Station for the dates of 26 Mar 2025 and 27 Mar 2025 be reviewed. These recordings will provide crucial evidence of the events described in this complaint.

I strongly believe that Circle Inspector Mr. G D Babu's conduct is unprofessional, biased, and detrimental to the administration of justice. I request a thorough and impartial investigation into my complaint and the allegations made against him.

I urge you to take immediate action to ensure that justice is served and that the citizens of this area are treated with respect and fairness.

Thank you for your prompt attention to this matter.

Sincerely,

Divakar Rao Potnuru
